Registrations and Addresses to

August 14, 1947

FOREWORD

In accordance with the law, the Department of Public Instruction, in cooperation with the State Dental Council and Examining Board, has made an effort to register all legal practitioners of dentistry and dental hygiene within the State for the year beginning April 1, 1947, and ending March 31, 1948. The following list of dentists and dental hygienists includes all those who registered for the above-mentioned period up to and including August 14, 1947.

It is hoped that each registrant will aid the Department in perfecting the list and also in spreading abroad the information relative to legalized practitioners. This knowledge by the citizens of the Commonwealth will tend to prevent serious consequences resulting from the activities of illegal practitioners. Public announcement in each community of the names of its legal practitioners should be considered as a safeguard to the public.

A handwritten signature in dark ink, reading "Francis B. Haas". The script is cursive and fluid, with the first name "Francis" and last name "Haas" clearly legible.

Superintendent of Public Instruction.

August, 1947.

ALL PRACTITIONERS TO BE REGISTERED

Section 3 of the Act approved May 1, 1933, provides inter alia "The State Dental Council and Examining Board created, appointed, and organized in accordance with the provisions of the Administrative Code, and its amendments, shall have power:

- (j) To provide for, regulate, and require all persons licensed in accordance with the provisions of this act to register annually with the board; to prescribe the form of such registrations; to require, as a condition precedent to such annual registration, the payment of such annual registration fee as shall be fixed according to law; to issue annual registration certificates to such persons; and to suspend or revoke the license or registration of such persons as fail, refuse or neglect to register annually, or pay such fee. The Department of Public Instruction shall be required to publish annually a list of the persons registered for that particular year.
- (k) To keep a record, and it shall be the duty of the board so to do, of all licenses and registrations issued and all registrations made with the board, and to prescribe the form of such record.

Section 4. The fee for an applicant for examination and licensure to practice dentistry or as a dental hygienist in this Commonwealth shall be fixed by the Department of Public Instruction in accordance with existing law. It shall be the duty of all persons now qualified and engaged in the practice of dentistry and dental hygiene, or who shall hereafter be licensed by the board, to register annually with said board, and pay for each such annual registration such fee as may be fixed by the Department of Public Instruction.

Section 10. It is unlawful for any person to practice dentistry, or to hold himself or herself out as a practitioner of or entitled or authorized to practice dentistry, or to assume any title of "dentist," "dental surgeon," or other letters or titles in connection with his or her name which in any way represent him or her as being engaged in the practice of dentistry or authorized so to do, unless he or she has been duly licensed, registered, and authorized to engage in such practice under the provisions of this act.

It is unlawful for any person to practice dentistry or as a dental hygienist under a name other than that on his or her license and annual registration, or induce any person to practice dentistry or as a dental hygienist in violation of this act.

It is unlawful for any person to practice dentistry or as a dental hygienist unless his or her license and annual registration are displayed in his or her regularly established place of business.

It is unlawful for a person practicing dentistry to employ a dental hygienist as his or her assistant unless such assistant is licensed and registered as a dental hygienist as required by this act and the rules and regulations of the board.

Any person violating any of the provisions of this section, or any other provisions of this act, shall be guilty of a misdemeanor, and, upon conviction thereof, shall be sentenced to pay a fine not exceeding five hundred dollars, or to suffer imprisonment not exceeding six months, or both, in the discretion of the court."
